Notes

* The number of back issues of our journals, available online, continues to grow and is being added to on a regular basis. Our ultimate aim is to have full sets, but in the meantime we will do our best to accommodate any reasonable request for papers or articles.

** Due to the ever increasing cost of stocking non-IBRA publications, from the 1st October 2009, members discount of 10% will only be given on the expanding range of IBRA books and products.

**** Buzz Extra ceased publication in December 2009.
